ERASMUS+ KA1 · TEACHER TRAINING COURSE

ICT in Inclusive Education

5 Days • Athens, Greece • OID: E10020547

About the course

Inclusive education means designing learning in which every learner can take part, explore and create. This course combines a digital pedagogy for creation, literacy and numeracy with the principles of inclusive education, the role of the teacher and a learning environment built on curiosity.

Participants explore Web 2.0 tools, distance and blended learning, art-based inquiry, gamification with digital games and live online classes with OBS, and leave with practical ideas for more inclusive teaching.
