ERASMUS+ KA1 · TEACHER TRAINING COURSE

AI for Differentiated and Inclusive Teaching

6 Days • Athens, Greece • OID: E10020547

About the course

This course introduces teachers to artificial intelligence in education and shows how AI tools can make teaching more personalised and inclusive. Participants explore key AI concepts, see how teachers and students use AI today and learn to adapt AI tools for students with special educational needs.

Through hands-on workshops, they use AI to create inclusive lesson plans, more engaging lessons, better assignments and digital stories, while discussing the risks of AI in education and how to mitigate them.

Course at a glance

Duration: 6 training days

Location: ErasmusLearn Training Center, Athens, Greece

Language: English (B1 or higher recommended)

Who it's for: Primary, secondary and special education teachers, teacher trainers

Level: Introductory, no prior AI experience required

Certificate: Certificate of Attendance

Funding: Eligible for Erasmus+ KA1 (course fees)

OID: E10020547

What you will learn

- Understand key AI concepts and how AI is used in education today
- Ensure accessibility and inclusivity in AI-enhanced learning
- Adapt AI tools to support students with special educational needs
- Create lesson plans, engaging lessons and assignments with AI
- Recognise the risks of AI in education and ways to mitigate them
- Design an AI-enhanced digital storytelling activity

How you will learn

Short presentations, guided demonstrations of AI tools, hands-on workshops, group discussions and sharing of best practices. Participants design inclusive lesson plans, engaging lessons, assignments and a digital storytelling activity with AI. Tools: ChatGPT or a comparable AI assistant and AI tools for text, images, voice and multimedia.

Course language

English. B1 level or higher is recommended. Practical, hands-on activities make it easy for everyone to take part with confidence.

What's included

- Coffee Breaks that include traditional products.
- Guided tour of the Historical Center of the town.
- Dinner in a traditional restaurant in the town.
- Europass Mobility.
- A small gift with traditional Greek products.
- Certificate of Attendance, for participants who attend at least 80% of the course.

Course Agenda

DAY 1 · Welcome & Orientation

- Welcome, practical arrangements and course timetable
- Presentation of participating organisations
- Icebreakers and introduction to the course

DAY 2 · Introduction to AI in Education

- Introduction to AI in education
- Understanding basic terms and examples
- How teachers and students use AI today

DAY 3 · Promoting Inclusivity with AI

- Accessibility and inclusivity in AI-enhanced learning
- Adapting AI tools for students with special needs
- Designing inclusive lesson plans with AI
- Sharing best practices for inclusive education with AI
- Included: guided cultural tour of the historical centre of Athens
- Included: dinner at a traditional Greek restaurant

DAY 4 · AI Tools for Education Professionals

- AI tools for education professionals
- Workshop: using AI tools to help create lesson plans
- Discussion: considerations and mitigation strategies for AI

DAY 5 · AI in Teaching: Opportunities & Risks

- Using AI tools to make lessons more engaging
- Creating better assignments with AI tools
- Discussion: how AI is helping and harming education

DAY 6 · AI-Enhanced Digital Storytelling

- Digital storytelling: concepts and pedagogical value
- Creating digital stories with AI: text, images and voice
- Designing AI-enhanced storytelling activities
- Erasmus+: priorities, actions, budget and tips for applicants
- Planning follow-up and dissemination of learning outcomes
