ERASMUS+ KA1 · TEACHER TRAINING COURSE

Nontraditional Learning Models, Microlearning and Gamification

7 Days • Heraklion, Crete • OID: E10020547

About the course

Nontraditional learning models, microlearning and gamification are gaining traction as effective ways to enhance student engagement and learning outcomes. By integrating project-based learning, microlearning and gamified activities, teachers can create a more interactive and motivating learning environment.

The course introduces alternatives to lecture-based teaching and shows how to design project-based activities, microlearning modules and gamified lessons that suit diverse learning styles and increase motivation.
